| Job Title: Project Manager | Contract type: Permanent |
| Department: Implementation | Date: May 2017 |
| Reporting to: Head of Projects | Contact: recruitment@kerridgecs.com |

Position Overview

- Kerridge Commercial Systems (KCS) is the market leader in developing and delivering fully integrated business management solutions for distributors, suppliers, resellers, wholesalers and merchants. Our mission is simple: to design, implement and support high performance systems that enable our customers to source effectively, stock efficiently, sell profitably and service competitively.
- Working within Professional Services Group this role will be focused on delivery of new installs and upgrades.

Main Duties and Responsibilities

- To own and be accountable for projects assigned
- To be aware of contractual obligations and ensure these are met
- To maintain financial control of the project and bill all services as appropriate
- To run and document projects in accordance with the METIS implementation approach
- To engage with the client and report progress to key stakeholders externally & internally
- To book and brief resource required for the project
- To maintain internal systems as directed
- To enhance and improve documentation and processes within METIS as required
- To cover for colleagues as directed

Knowledge and Experience

Essential

- Proven track record Project Managing ERP solutions
- Ability to engage with users through to board level
- Proficient in Microsoft Office and Microsoft project

Desirable

- Prince 2 or similar qualification
- Industry specific experience in key verticals such as Builders Merchants, Electrical Wholesalers, Plumbers Merchants
- Knowledge of K8 applications

Other

- This role will involve travel and therefore a valid UK driving licence is essential

Remuneration:

- The salary and package are commensurate with the role and experience
